

REMARKS

Claims 29-60 are all the claims presently pending in this application. Claim 33 has been amended pursuant to 37 C.F.R. § 1.111(2)(i) to correct minor informalities and place the application in condition for allowance. Therefore, Applicant respectfully requests the Examiner to enter this Supplemental Amendment.

No new matter has been added.

It is noted that the claim amendments are made only for more particularly pointing out the invention, and not for distinguishing the invention over the prior art, narrowing the claims or for any statutory requirements of patentability. Further, Applicant specifically states that no amendment to any claim herein should be construed as a disclaimer of any interest in or right to an equivalent of any element or feature of the amended claim.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.

The Commissioner is hereby authorized to charge any deficiency in fees or to credit any overpayment in fees to Attorney's Deposit Account No. 50-0481.
